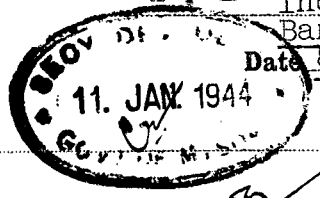
GOVERNMENT OF MYSORE

D.O. No. G. 638
Encls: one.

OFFICE OF Mr. E.V.Ganapati Iyer, B.Sc.,
Government Director,
Industrial Concerns,
Bangalore.

Date 8th January 1944.



To

Sir, Dear Mr.Noronha,

Subject:- Vacuum Evaporator for Industrial and Testing Laboratory.

4464

I invite reference to your letter No.D.2936/I&C 7-43-17 of the 2nd November 1943 to the Secretary to the Government of India, Department of Commerce, New Delhi. A note was furnished on the subject to the Hon'ble the Commerce Member during his recent visit to Bangalore. The General Manager, Industrial and Testing Laboratory now reports that the applications of the Industrial & Testing Laboratory dated 23rd June 1943 has been accepted by the Government of India and an Import Licence No.24664 C.C.I. has since been granted for import of one Scott's Forced Circulation Vacuum Evaporator without thermo compression. "According to the wording of the licence the licence is provisional only and may be confirmed if the holder furnishes to the licensing authority the name and address of the supplier and the number and date of the order for the goods concerned together with satisfactory evidence of the actual acceptance of the order."

The Secretary, Stores Purchase Committee has been requested to place the order for the equipment through the Trade Commissioner for Mysore, and ascertain the particulars of the order placed with the firm to enable confirmation of the Import licence by the Government of India. The Trade Commissioner has intimated in his Airgraph letter dated 18th November 1943(copy enclosed) that the drawings for the fabrication of the plant have been furnished by the firm and despatched for our approval

p.t.o.

approval and that on receipt of the official order they will place necessary order for the material. etc. This report regarding the present position of this matter is submitted for the information of Government.

Yours sincerely,

Charles E. Noronha, Esq., M.A.,
Secretary to Government,
Development Department,
Bangalore.

Mr.E.V.Ganapati Iyer, B.Sc.,
Government Director,
Industrial Concerns,
Bangalore,
S.India.

Dear Sir,

E.3084/Vacuum Evaporator for the Government Industrial and Testing Laboratory, Bangalore.

Further to my letter of the 23rd September, the following is copy of a letter received from Messrs. George Scott & Sons, Ltd., under reference WEB/CN dated 16th November:-

"Further to your letter of 31st August, in which you ask us to put in hand the necessary work in connection with the above, we have pleasure in enclosing two copies of our drawing No.C.8632 which shows the arrangement of the evaporating plant.

Pending your official order and import licenses we have completed all the necessary drawing work and as soon as these come to hand we shall be in a position to place the necessary orders for material.

We think that the drawings enclosed are self-explanatory but should there be any obscure point, we should be very pleased to explain this.

We trust we shall be hearing from you in the near future."

LETTER ENDS.

p.t.o.

The blue prints referred to in this letter have been posted to you by sea mail with a copy of this letter, which kindly note.

I have not yet received particulars of the necessary Import Licence and I trust you have been able to cable them to me are this reaches you.

When the Prints reach you, should you have any alterations or amendments to make perhaps you will cable me.

Yours faithfully,

Sd/-

TRADE COMMISSIONER.

No. G.649

Dated 11th January 1944

FROM

E. V. GANAPATI IYER, Esq., B.Sc.,
Government Director, Industrial Concerns,
BANGALORE.

To

The Secretary to Government,
Development Department,
Bangalore.

Sir,

Import of Vaccuum Evaporator for the Industrial and Testing Laboratory.

I have the honour to invite kind reference to G.O.No.D.7223-26/I&C 89-42-4 dated 8-5-1943 sanctioning the purchase of Vaccuum Evaporator for the Industrial and Testing Laboratory at a cost of about Rs.36,000/- the equipment being obtained through the Secretary, Stores Purchase Committee and the Trade Commissioner for Mysore in London. The Chief Controller of Imports, New Delhi, originally refused import license for this equipment. A further reference was made through the Hon'ble Sir Muhammad Azizul Haque, Commerce Member, Government of India and the license has since been granted for this equipment. (Vide this office letter No. G.638 dated 9th January 1944.) The Manufacturers Messrs. George Scott and Son, Ltd., London, have stipulated that 1/3 of the amount of the equipment should be remitted to the firm in advance. For this a sum of about Rs.9,600/- is required. As the provision made in the Budget for the Capital grant for the Industrial and Testing Laboratory for the current year is only Rs.25,000/- and this amount is required for allocation amongst other items of expenditure (Vide G.O.No. D.2939-40/I&C 57-43-16 dated 2-11-1943) I request you to kindly obtain sanction of Government for providing a sum of Rs.36,000/- as a further capital grant of which Rs.10,000/- may be provided in the current year's grant for making payment of the abovementioned 1/3 amount and the balance in the budget for 1944-45. Very early orders of Government may kindly be obtained.

I have the honour to be,
Sir,
Your most obedient servant,

E. V. Ganapati Iyer
Govt. Director,
Industrial Concerns.
